The image shows a screenshot of a software application titled "DVD Error Identification Version 0.0.1". The application window has a menu bar with "Exit" and "Check" options. The main area displays "Tested OK" and a table of test results. The table has columns for Test Date, Test ID, Test Length, Operator, File Name, File Size, Blocks Read, Errors Found, and Pct. Errors. The test results show a successful test on a file named "D:\VIDEO_TS\VT" with 0 errors found. Below the table, there are two text boxes for "Disc Description" and "Test Description". The "Disc Description" box contains the text "Complete test of trailer disc." and the "Test Description" box contains the text "SmartScreen Video Preview, August 1999". At the bottom of the window, a status bar shows "Files Found 9" and "634220544". To the right of the main window, a small dialog box titled "Watercolor" is open, displaying "Testing Complete" and an "OK" button.

| Test Date | Test ID | Test Length | Operator | File Name | File Size | Blocks Read | Errors Found | Pct. Errors |
|-----------|---------|-------------|----------|----------------|-----------|-------------|--------------|-------------|
